We hope you have had a good Easter, and not overindulged on the choccies. 

If we are lucky enough to see some sunshine when we return, can you please ensure your child arrives with sun cream applied and a labelled sun hat.

Here are some ideas to encourage your child's learning at home that link into our topic.

- Look at the numbers around your local environment. Eg house numbers / in the shops
- Practice pencil control at home.
- Encourage independence with putting on their own shoes / coats /

We welcome any photo's etc of things children have done outside of preschool, e.g. making cakes etc that we can add to their learning journey.

Leave children's toys at home to avoid them getting lost or broken

Soon we will be sending your child back with a book bag. Initially this will be just for our school leavers, the idea is that the children take it in turns to choose a book from our book corner, that they enjoy and take it home to read, talk about and enjoy with their families, and then return it.

A return date will be put on the book, please ensure it is returned by this date, so another child can choose a book.

Parent's evening 22nd April

We will be offering an appointment to children who weren't offered an appointment last time in November.

This might be some of our school leavers, we will be offering appointments later in the year for the school leavers and the children who are just joining us, if you wish to wait. 😊
